

What does courage mean to you?

When you feel courageous where does your
courage come from?

Keith Smith - Courageous + Contagious

"**Courage** is recognizing there is a risk involved and being willing to step forward anyway."

"It's being willing to take that leap in faith and take that chance and do it anyway, even if you don't succeed."

"Courage is **contagious** at Wesley because it creates excitement. When we try new things, reach out for new opportunities, new mission trips, new ministries in the church, it creates excitement. People want to be a part of it."

"To me, the courage to give starts from within...**being able to be generous** and give is an element of faith, it's a blessing, it's your statement of faith."

Can we be courageous in our giving to support the
contagious generosity that Keith finds at Wesley?
Give courageously.
